Peace Holiday Cards

This Sunday is the final chance to purchase PEACE holiday cards created by the children. There are nine unique and beautiful designs to choose from. Each card has a holiday message printed inside. With the proceeds from the sales, the children will purchase Gifts with Vision items to help with projects to benefit children here in Canada and around the world. Specifically, the children have chosen to raise money for healthy food cooking lessons for families in Alberta and to build a well for fresh water in a village in the Republic of Congo. We need all the cards to sell to make these projects happen. Each card is \$2 or you can buy a pack of 10 cards for \$15. Thank you for your support and the children wish you a PEACEFUL holiday!
