Flight to Hope!

Dear friends;

As you probably know Mohamad, Heba and Retaj have returned to Cobourg from Lebanon. Their delay was caused by technicalities in Lebanon affecting their exit visa and it took about 6 weeks to clear those up allowing them to fly back. At present they are living with Marilyn and Rae Waring but with Heba's new baby due shortly they desperately need an apartment at a cost not over \$1000 a month. They are willing to take a 1 bedroom apartment. If any one has any leads on apartments that would fit their needs, please phone Lloyd Ford at 905 377 1595 or Marilyn Waring at 905 372 9350. Mohamad is also looking for full or part time work that would not require proficient English language skill.
